Local Matters, National Strength.

Hi All

Thank you for your interest in the inaugural UK Pickleball Festival. **Saturday 31st March & Sunday 1st April 2018**

The Festival will be a fantastic opportunity for players around the UK to liaise, network, play together and make new friends. A great chance to grow our Pickleball family.

The Festival will also feature the Inaugural Young Persons Championship on the Saturday. This will give those players aged 25 and Under the chance to play with, and against their peers. We hope this will encourage more young people to play, both before and after the event. It will also give them the chance to play in a tournament environment with the support of more experienced players.

The Festival itself will be a simple format where players write their names on boards, as individuals, pairs or fours, to play in fun, competitive (or not) games, with players from other clubs. Sixty festival players Maximum on the Saturday, 100 festival players Maximum on the Sunday. When spaces are gone, they're gone!!

There are 22 rooms available at £55 per night for those attending both days.

(Contact the National Badminton Centre Direct to book 01908268400/Email: enquiries@badmintonengland.co.uk)

We intend to have some great raffle prizes too so that some players leave with more than just a smile!

Looking forward to meeting you at the event.

Kindest Regards

Louise Stephens

on behalf of the Pickleball Festival Committee
